

# Workshop

---

Thursday, 16 April 2020 at 4.00-6.00 pm

Großer Hörsaal, Kurt-Mothes-Str. 3

**Prof. Dr. Elmar Wahle**

MLU, Biochemistry

## “Good Scientific Practice”

For practicing scientists

(Master students, PhD students, Postdocs)

Compliance with good scientific practice is the basis for research at all levels. Expand your knowledge of:

- Rules of Good Scientific Practice
- Responsibilities
- Scientific honesty
- Safeguarding and Storing of Primary Data
- Dealing with Misconduct

All interested scientists are welcome!
