**CALL FOR PAPERS**

## **The Journey of Liquid Gold**

Five essays are sought for an interdisciplinary publication on the topic of **honey**. The content should address honeybees or honey in general. The magazine is intended as an insight into current research and thoughts on the honey bee and honey. There is no exact topic requirement.

The essays will be combined with documentary photographs of contemporary apiaries and institutes.

**Areas of research** may be in the following fields:

Biology / Chemistry / Zoology  
Ecotrophology / Neuroscience  
Sociology / Anthrozoology  
Psychology /  
BA / Economics / Environmental  
Protection  
Journalism / Curatorial Studies  
Philosophy / Design

Each essay should be 8,000-15,000 characters and provide a general insight into the focus of the research. A direct relation to honeybees or honey should be shown.

The essay can be written in English or German.

A total of 50 magazines will be produced for the time being. These will be presented and published for the first time within an exhibition on 11/17/2021 in Offenbach near Frankfurt am Main. A proceeds will be divided among the essayists.

**The deadline for the submission of papers is August 21, 2021. Please send it to [mail@verdianaalbano.com](mailto:mail@verdianaalbano.com)**
