

LANGE NACHT DER WISSENSCHAFTEN HALLE 2024

SUBMIT IMAGE CONTEST

You
have
generated
great images
as part of
your research
and would like to
present them to the
public?

Join in and win!

Submit your image
with a short text on the
scientific background to our
image contest

**“Visualized Science:
The World Beyond our Senses”**

and it will be presented to visitors in poster
format on the occasion of the *Lange Nacht der
Wissenschaften* 2024.

Help us to build a bridge between the scientific
community and the public and to raise awareness of
science's importance in our daily lives.

The winner of the visitor vote will be honoured!
